

PROPOSED TEACHING–LEARNING SCHEDULE FRAMEWORK

(In lieu of Detailed Class Timetables)

As per PCI & AKTU Guidelines

Academic Session: _____

This framework outlines the proposed academic delivery structure of the institution. Detailed class timetables are prepared and communicated internally.

D.Pharm (First & Second Year)

Academic Component	Proposed Duration / Frequency	Compliance Reference
Theory Classes	As per prescribed teaching hours	PCI Regulations
Practical Sessions	As per laboratory norms	PCI
Tutorials / Seminars	Periodically during session	Institutional Plan
Internal Assessments	As per academic calendar	PCI / Board Norms
Training	As prescribed	PCI
Revision Classes	Prior to final examinations	Academic Plan

B.Pharm (All Semesters)

Academic Component	Proposed Duration / Frequency	Compliance Reference
Theory Classes	As per semester requirements	PCI / AKTU
Practical Sessions	As per syllabus norms	PCI
Tutorials	As required	Departmental Plan
Internal Assessments	Periodic	AKTU Guidelines
Seminar / Guest Lecture	Periodically	Academic Enrichment
Industrial / Summer Training	Applicable semesters	PCI
Revision Classes	Before end semester exam	Academic Plan

Academic Compliance Overview

Parameter	Status
Teaching Hours	As per PCI / AKTU norms
Faculty Availability	As prescribed
Laboratory Utilization	As per syllabus
Assessment System	As per regulations
Academic Monitoring	Department / IQAC

Website Disclosure: Detailed period-wise class timetables are dynamic in nature and are therefore communicated internally. This framework is published to demonstrate academic planning and compliance with PCI and AKTU guidelines.
